

# corridor canstruction®

7th annual corridor design/build competition

## call for entries

**Who** Teams of Architects, Engineers, Designers, and Contractors from the Corridor **AND** teams from Colleges, Schools, and Youth Groups.

**What** Design and build structures made entirely from canned foods within a 10'x10'x8' space.

**When & Where** **Saturday, April 14 at Coral Ridge Mall**  
Build-out: 7am–11am  
Judging: 11am–Noon  
Awards ceremony: Noon  
Exhibit open to public: April 14–22  
Decanstruction: Sunday, April 22

**Why** To benefit HACAP Food Reservoir and corridor non-profits including the Iowa City Crisis Center

**Enter a Team** [www.corridorcanstruction.org/enter.html](http://www.corridorcanstruction.org/enter.html)  
**Last day to register: Friday, March 23, 2012**

**Entry Fee** \$100 for design firms; no fee for student/youth groups. Make checks payable to "SDA–Canstruction"

**Mail Entry Fee to** Corridor Canstruction  
c/o Jamie Achrazoglou, Treasurer  
4190 Prairie Meadow Ct NE  
Iowa City, IA 52240

**Contact Us** Kristin Hurt, Event Chair: (319) 363-6018  
[Cans@CorridorCanstruction.org](mailto:Cans@CorridorCanstruction.org)

**Support Us** Not enough people or not enough time to enter your own build team? Support Canstruction with a donation. See other side for details.

It starts with one can. To feed the hungry. To lift the spirit. Canstruction®, a charity committed to ending hunger, is using "one can" as a catalyst for change.

In 2011, **18,589 pounds of food** from Canstruction's 6th annual event were distributed to 158 non-profit programs in eastern Iowa. Corridor Canstruction puts a visual spotlight on hunger while showcasing our design community's best and brightest.

Think you have what it takes? Get creative, and help stop hunger. **One can.**

**Check out the competition rules online** at [CorridorCanstruction.org/rules.html](http://CorridorCanstruction.org/rules.html).

We'll send a team planning packet via email about a month before the event. Entrants are responsible for purchasing or collecting all canned goods for their structure. Your structure must be self-supporting. [Contact us](#) with questions!

canstruction®

**Rules and detailed information are available online at [www.CorridorCanstruction.org](http://www.CorridorCanstruction.org).**

Printing services donated by **Rapids Reproductions, Inc.**

Sponsored by Society for Design Administration and American Institute of Architects.

# support construction

canstruction

**Want to help the cause, but don't have the time or manpower to enter your own build team?**

**You can still support Construction!** Cash donations help Construction with recurring expenses such as postage, signs, insurance, equipment to keep the finished builds safe, security at the event, food and drinks for our hard-working build teams, and trophies for our school and community team winners.

## Benefits of being a contributor include:

- Your company name/logo on all signage
- Company name/logo on all participant t-shirts
- Company name/logo on the homepage of CorridorCanstruction.org
- Recognition during the event awards ceremony as as one of our generous sponsors

**Consider donating to the cause now, and help ensure Construction continues!**

**Yes! I would like to support the 2012 Corridor Construction on April 14, 2012**

Enclosed is my check for  \$50  \$100  \$200  \$ \_\_\_\_\_

Donating Individual, Company or Organization\* \_\_\_\_\_

## FOOD RESERVOIR PROGRAM

...a unique partnership between the food industry and charities to feed the hungry in this area.

### THE NEED

During tough economic times, more people struggle to get enough to eat both in Iowa and nationwide. One out of six Americans turn to government food assistance programs to help alleviate food insecurity. (*Not being sure where they will get enough food to feed their families*). Other Americans respond to food insecurity by skipping meals, substituting less expensive, less nutritious alternatives, or seeking emergency food from soup kitchens or food pantries. They worry nearly all the time about money running out to buy food for the children. Food insecurity affects health, worker productivity, growth and development of children, sense of well-being and quality of life.

Iowans are no different. The vast majority of households in Iowa are food secure. Yet, even in Iowa, the breadbasket of the world, **12.5%** have some level of food insecurity. **In FY 2011, food pantries served over 96,000 households with over 220,000 individuals. This was a 7% increase over FY 2010**

### HOW WE HELP

The HACAP Food Reservoir is a private, non-profit charitable organization with a mission to help reduce hunger and food waste. As a member of the Feeding America Food Bank Network the HACAP Food Reservoir receives donations of food and grocery products from the food industry, including manufacturers, wholesalers, and retailers, local donors, food drives, and the USDA.

The Food Reservoir channels those donated products to area soup kitchens, pantries, shelters and other nonprofit food programs that feed those in need. **In FY 2011, 2 million pounds of food and grocery products were distributed** to needy families and individuals through a network of 150 non-profit programs in 7 Eastern Iowa Counties.

**Adlai Stevenson once said,  
“A hungry man is not a free man.”**

**Hunger is real. It hurts. You can help.**
